**Avow Systems, Inc. Announces
Dr. Dennis J. Dulniak as Vice President for Higher Education Services**

DENVER, CO – June 15, 2009 – Avow Systems, Inc., the leading provider of services for certifying and securing electronic documents for educational institutions, announced today the appointment of Dr. Dennis J. Dulniak as Vice President for Higher Education Services, effective July 20, 2009.

Dennis joins Avow Systems after providing over 35 years of dedicated service to the higher education community, most recently serving as University Registrar at the University of Central Florida. He got his start as Assistant Registrar at the University of Rochester and continued his distinguished career at Montana State University, Ohio Wesleyan University, Lander University, and Austin Peay State University.

Among professional associations and leadership roles, Dennis has served as President of Tennessee Association of Collegiate Registrars and Admissions Officers (TACRAO) and chaired many committees at the state level, Southern Association of Collegiate Registrars and Admissions Officers (SACRAO) and American Association of Collegiate Registrars and Admissions Officers (AACRAO).

“Dennis brings a wealth of knowledge and experience in higher education to Avow and will play an important role in the success of our company and that of our customers,” said Ron Hyman, General Manager at Avow Systems. “His passion, vision and respect from his peers are extremely important to us at Avow. We are excited that Dennis is joining the Avow family!”

Most recently, Dennis was recognized by his peers at the 2009 AACRAO Annual Meeting in Chicago where he received The Founders Award for Leadership, recognizing his vision, leadership, and longevity of service to the higher education profession. Throughout his career Dennis has demonstrated a proven track-record of leadership in establishing standards for transcripts and other high-stake institutional documents. His dedication to service will help educate others on the newest generation of official electronic transcripts through secure PDF documents as part of Avow Systems' Authentic Document Delivery Service (+ADDSTM).

Dennis may be reached at ddulniak@avowsystems.com or 407-592-6670.

About Avow Systems, Inc.

Avow Systems, Inc. is a software-as-a-service company which offers the only universally accepted PDF solution for securing and delivering electronic documents.
